AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Amendment is being filed in response to the Office Action mailed from the U.S. Patent and Trademark Office on August 12, 2003 in the above-identified application. Reconsideration and further examination are requested.

An extension of time to respond to the Office Action is respectfully requested. A Petition for Extension of Time and the appropriate fee are being filed concurrently with this Amendment.

Please amend the application as follows:

Amendments to the Drawings

Figures 4 and 5 have been replaced in response to the Examiner's objections. The new Figures 4 and 5 illustrate different views of the structures shown in the original Figures 4 and 5 and described in the Detailed Description, as well as the test substrate, as claimed in the original claim 1. In addition, Figure 3 is submitted because it is now on a separate page. No new matter has been added.
